CERTIFICATION OF ORIGIN INSTRUCTIONS

Instructions — This document must be completed legibly by the Exporter and be in the possession of the Importer at the time the declaration is made in order to qualify for preferential treatment under the United States-Mexico-Canada Free Trade Agreement. This document may also be completed voluntarily by the Producer for use by the Exporter in preparing its own Certification of Origin. Please see below for guidance on the Certificate fields.

Field 1 — BLANKET PERIOD Blanket Period: "FROM" is the date upon which the certification becomes applicable to the good covered by the blanket Certification "TO" is the date upon which the blanket period expires. In no instance should that certification exceed a 12-month period, and any information provided should be updated in the event any previously-issued certification no longer applies. Complete this field if applicable.

Field 2 — CERTIFIER'S NAME AND ADDRESS (mandatory_ - Provide the Certifier's name, title, address, e-mail address, telephone number and the tax ID number. Indicate whether the Certifier is the Exporter, or Producer, or Importer in accordance with Article 5.2 (Claims for Preferential Treatment) of the USMCA. d.
https://ustr.gov/sites/default/files/files/agreements/FTA/USMCA/Text/05_Origin_Procedures.pdf

Legal tax ID number is defined as:
Canada: employer number or importer/exporter number assigned by Revenue Canada
Mexico: federal taxpayer's registry number (Registro Federal de Contribuyentes)
United States: employer's identification number or Social Security number

Field 3 — EXPORTER'S NAME AND ADDRESS -Provide the Exporter's name, address, e-mail address, telephone number, and tax ID number if different from the Certifier or "N/A" or "Various" or "Same as Certifier". This information is not required if the Producer is completing the certification of origin and does not know the identity of the Exporter. The address of the Exporter shall be the place of export of the good in a Party's territory.

Field 4 — PRODUCER'S NAME AND ADDRESS -Provide the Producer's name, address, e-mail address, telephone number and the Tax ID number, if different from the Certifier or Exporter or, if there are multiple Producers, state "Available upon request by the importing authorities" or "Same as Certifier", "Various", or provide a list of producers.

Field 5 — IMPORTER'S NAME AND ADDRESS - State the full legal name, address, e-mail address, telephone number, and tax ID number, as defined for the Certifier or "Same as Certifier". The address of the Importer shall be in a Party's territory. If there are multiple importers, state "Various".

Field 6 — CERTIFIER TYPE: - The individual certifying /declaring/signing this certificate (in accordance with Article 5.2, Claims for Preferential Tariff Treatment, is one of the following: A) Certifier is NOT the Producer, but has a certification or statement from the Producer B) Certifier is the Importer
C) Certifier is the Exporter
D) Certifier is the Producer

Field 7 — CERTIFIER SIGNATURE BLOCK: - This document must be completed, signed, and dated by the Certifier. The date must be the date the Certification was completed and signed. State the legal name, address, telephone, and e-mail address of the responsible official or authorized agent of the Certifier. The certification can accept an electronic or digital signature, as long as it is an actual representation of the signer's signature and not a signature font.
The total number of pages of the certification should be provided where on the main page it states "*this Certification consists of __ pages, including all attachments."

Field 8,9,10 — PART NUMBER AND DESCRIPTION OF GOODS - Provide the part number and description of each good subject to the certification. The description should be sufficiently detailed such that it can be related to the invoice description and to the Tariff Number/ Harmonized System (H.S.) description of the good. The description can include part number references but should also provide a description of the item sufficient to identify and associate it with the Tariff Number.

Field 11 — HS TARIFF NUMBER - For each good covered under this certificate, identify the HTS classification to 6 digits as specified for each good in the Rules of Origin in the USMA. If the good is subject to a specific rule of origin that requires eight digits, identify as eight digits.

Field 12 — COUNTRY OF ORIGIN - Identify the name of the country of production for each good listed in this certification as a result of which the preferential rate of duty applies. If the country of production is other than "US", "CA" or "MX" please provide the 2-digit ISO country code for the country of production.

Field 13 — ORIGIN CRITERIA - For each good described in the certification, state which criteria (A through D) is applicable. The rules of origin are contained in Chapter Four and Article 4.2. In order to be entitled to preferential tariff treatment, each good must meet at least one of the criteria below: A, B, C, or D
Note: If the item does not meet the applicable Rule of Origin for USMCA (not eligible good), please leave this field blank.
https://ustr.gov/sites/default/files/files/agreements/FTA/USMCA/Text/04-Rules-of-Origin.pdf

(a) Wholly obtained or produced entirely in the territory of one or more of the Parties, as defined in Article 4.3;

(b) Produced entirely in the territory of one or more of the Parties using non-originating materials provided the good satisfies all applicable requirements of Annex 4-B (Product-Specific Rules of Origin);

(c) Produced entirely in the territory of one or more of the Parties exclusively from originating materials; or

CERTIFICATION OF ORIGIN INSTRUCTIONS (continued)

(d) Except for a good provided for in Chapter 61 to 63 of the Harmonized System:

(i) Produced entirely in the territory of one or more of the Parties;

(ii) one or more of the non-originating materials provided for as parts under the Harmonized System used in the production of the good cannot satisfy the requirements set out in Annex 4-B (Product-Specific Rules of Origin) because both the good and its materials are classified in the same subheading or same heading that is not further subdivided into subheadings or, the good was imported into the territory of a Party in an unassembled or a disassembled form but was classified as an assembled good pursuant to rule 2(a) of the General Rules of Interpretation of the Harmonized System; and

(iii) the regional value content of the good, determined in accordance with Article 4.5 (Regional Value Content), is not less than 60 percent if the transaction value method is used, or not less than 50 percent if the net cost method is used;

and the good satisfies all other applicable requirements of this Chapter.
